Dear Professor Jureidini

Thanks for your message - we have moved it to the 12 Sept issue. Barbara will be in touch with the proofs once they are ready.

Best wishes

Hi

I understand that you plan to publish on line in the first week of September. That sounds exciting, but do you have a timeline that fits the fact that I am uncontactable from 15-23 August, as is Dr Le Noury?

I don't think we can finally approve proofs without either of us seeing them first.

It will be great if it can be done in the time frame, but we don't want to mess things up after all this time by rushing it. What do you think?

Jon
